

GOLD POINT PROPERTY TAXES PAID IN 2018

Many Gold Point owners have been wondering about property tax amounts deductible for income tax purposes on their timeshare weeks owned at Gold Point. We face a different situation at Gold Point for property taxes than we do at Grand Timber. There are fewer units and more configurations. Since the weeks are fixed we thought it made the most sense to calculate those amounts per individual unit.

The amounts below are per 1 week owned. Please divide the amounts in half if you are a bi-annual owner or multiply the number times the number of weeks owned if you are a multiple week owner in the same unit. If you purchased during the 2018 calendar year, the amounts below should be pro-rated based on the number of months of ownership.
