

Owner & Guest Promise

For over 35 years, Breckenridge Grand Vacations has taken a family approach to creating unforgettable vacations for our guests, positive relationships with our owners, and a safe work environment for our employees. Now more than ever, we remain committed to the highest levels of service as we pave a safe path forward in hospitality, ensuring the safety of all who spend time at any of our properties.

BGV's safety initiative, BGV Shines, represents our company-wide commitment to the well-being of our entire BGV family. The program includes the implementation of new disinfecting procedures and safety protocols, as well as our investment in hospital-grade UV light disinfection technology and electrostatic sprayers. While we are doing everything we can to ensure the health and safety of all our guests, owners and employees, we can't do it alone. So we ask that you read and sign this BGV Shines Promise—a mutual agreement on our part and yours to abide by the steps required to keep us all safe, so that we can continue enjoying the unforgettable Breckenridge experiences that draw us here in the first place.
